PARTNER WITH ACTIV FOUNDATION

We get it – team calendars booked weeks in advance, juggling projects to deliver and meeting KPIs. The daily grind is important but where is the space for fun, team building, or, even more importantly, giving back to the community and supporting those living with disability.

What if you could achieve all three at the same time! Partnering with Activ for our annual Golf Day ticks all the boxes and more. Why not invite some clients along and make it a serious networking conference on the course?

Not only will your team enjoy a day out, but your brand will be well represented and promoted to a new audience, and be associated with our social purpose, plus your involvement will be raising much-needed funds for people living with disability in WA.

Take advantage of one of our sponsorship packages and we do all the work for you. Your team simply turn up and tee off.

As a not-for-profit, we rely heavily on a range of fundraising that allows us to research, codesign, and deliver the latest services and supports for people living with disability throughout their life stages.

The funds generated from this event will be allocated to the provision of supported

accommodation vital improvements and the enhancement of clinical and support services beyond the scope of the NDIS, all aimed at fostering greater equity and independence for Western Australians living with disabilities. Who doesn't want to be a part of that!
